STEP 2 _ APPLY TO GET AN ITALIAN TAX CODE

The tax ID number or code (Codice Fiscale often abbreviated C.F.) is a fiscal identification code that identifies citizens when dealing with Italian public Authorities and other Administrations. It is required in Italy for all sorts of procedures (e.g. applying for a resident permit, opening a bank account, applying for the National Health Service card, renting a flat, buying a mobile phone SIM card, etc.).

>Follow the instructions here: https://www.st-umaform.unifi.it/vp-358-application-procedure.html

STEP 3 CHECK-IN and STUDENT NUMBER

The start date of the Erasmus period coincides with the business day (Monday to Friday) following your travel day as certified by your **travel document** (e.g., airline ticket, boarding pass, train ticket, highway toll payment receipt, etc.).

In order to officially start your mobility, <u>send your travel document to the Erasmus Desk:</u> erasmusdesk-presnovoli@unifi.it

• If the travel document is not in your name, specify this in the email, and the Office will get back to you.

If you are a student from outside the European Union, in addition to your travel document, you must also send a copy of your passport with a student visa (if required). For visa information, see the <u>Universitaly</u> website. If the mobility period is longer than 90 days, a residence permit is also required.

Students will receive a **USER ID (student number**) and a provisional password (date of birth) to access the online services at <u>https://sol.unifi.it/</u>, the platform used to book exams and accept or refuse grades.

Students are requested to change the password at their first access.

If students should lose their registration number or their password, they are invited to contact the Erasmus Desk in Novoli as soon as possible (<u>erasmusdesk-presnovoli@unifi.it</u>).

You will also receive an email to activate your UNIFI email account:

- the email address is name.surname@edu.unifi.it
- access it to receive updates from the teachers, cancellation of lessons, exams' marks, etc.

YOU ARE OFFICIALLY ENROLLED!

You will soon receive via email your CERTIFICATE OF ARRIVAL: **you do <u>NOT</u> need to ask for it**. As soon as the enrollment is complete, the office will automatically send it directly to you and your University via email.

ONLY for EXTRA-UE students

PLEASE NOTE: If you are a citizen of a NON European country and you do not have a resident permit already, you need to register at <u>https://www.universitaly.it/#null</u> in order to get your entry visa (information for registration to the <u>link</u>)

The International Relations Office will send incoming students **who require it** (non-EU students) an acceptance letter that they need to upload in their application on <u>Universitaly</u>.

ONLY for students with an Italian/dual nationality

If you have an Italian nationality, you will have to apply to get a DIGITAL IDENTITY in order to access Online Services of all Public Administrations, including the Online Services of the University. See the following link: <u>https://www.spid.gov.it/cos-e-spid/come-attivare-spid/</u>
